

RESOLUTION 2017- 29

A resolution of the Leavenworth County Kansas Board of County Commission, approving a Gated Fence Agreement as described below:

WHEREAS, the County as authorized by K.S.A. 68-126, to authorize the construction and maintenance of fences across public roads under their jurisdiction;

WHEREAS, it is hereby found and determined that a citizen request to construct a gated fence across Millwood Road West of 187th Street, was made on March 2nd, 2017;

WHEREAS, the Citizen's property is located at 19051 Millwood Rd, Leavenworth, KS 66048, described as parcel numbers 061-01-0-00-00-005.01-0 and 061-01-0-00-00-004.00-0, and said gated fence would be between said parcels to cross Millwood Road.

WHEREAS, the County has determined that the proposed gated fence location does not interfere with traffic as it will be placed on the entrance to the Citizen's land that leads to a wooded dead-end, and that the gated fence would provide a public benefit by reducing trash dumping in the woods at the dead-end on Millwood Road.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commission of Leavenworth County, Kansas, that:

The Board does approve the adoption of the Gated Fence Agreement and authorizes the Board Chairman to sign the agreement on behalf of the Board of County Commissioners.
