CONSENT AGENDA 11/2/2022
CKS DATED 10/22 - 10/28

Supporting Operation Green Light for Veterans

WHEREAS, the residents of Leavenworth County have great respect, admiration, and the utmost gratitude for all of the men and women who have selflessly served our country and this community in the Armed Forces; and

WHEREAS, the contributions and sacrifices of the men and women who served in the Armed Forces have been vital in maintaining the freedoms and way of life enjoyed by our citizens; and

WHEREAS, Leavenworth County seeks to honor these individuals who have paid the high price for freedom by placing themselves in harm's way for the good of all; and

WHEREAS, Veterans continue to serve our community in the American Legion, Veterans of Foreign Wars, religious groups, civil service, and by functioning as County Veteran Service Officers in 29 states to help fellow former service members access more than \$52 billion in federal health, disability and compensation benefits each year; and

WHEREAS, Approximately 200,000 service members transition to civilian communities annually; and

WHEREAS, an estimated 20 percent increase of service members will transition to civilian life in the near future; and

WHEREAS, studies indicate that 44-72 percent of service members experience high levels of stress during transition from military to civilian life; and

WHEREAS, Active Military Service Members transitioning from military service are at a high risk for suicide during their first year after military service; and

WHEREAS, the National Association of Counties encourages all counties, parishes and boroughs to recognize Operation Green Light for Veterans; and

WHEREAS, the Leavenworth County appreciates the sacrifices of our United State Military Personnel and believes specific recognition should be granted; therefore be it

RESOLVED, with designation as a Green Light for Veterans County, Leavenworth County hereby declares from October through Veterans Day, November 11th 2022 a time to salute and honor the service and sacrifice of our men and women in uniform transitioning from Active Service; therefore, be it further

RESOLVED, that in observance of Operation Green Light, Leavenworth County encourages its citizens in patriotic tradition to recognize the importance of honoring all those who made immeasurable sacrifices to preserve freedom by displaying a green light in a window of their place of business or residence.

Michael Smith, Chairman
Leavenworth County Commission

PERSONAL PROPERTY AUCTION CONTRACT

Agreement for Sale of Personal and Chattel Property by Auction

Agreement made this 22nd day of October, 2002 between
Connie Harmon
of Council DA Aging, hereafter called Seller,
and Gary Seibert, hereafter called Auctioneers.

The auctioneer hereby agrees to use his professional skill, knowledge, and experience to the best advantage of both parties in preparing for and conducting the sale.

The seller hereby agrees to turn over and deliver to the auctioneers, to be sold at public auction the items listed below and on the reverse side and attached sheets. No item shall be sold or withdrawn from the sale prior to the auction except by mutual agreement between seller and auctioneer. If item is sold or withdrawn auctioneer shall receive full commission on the item.

All Items Listed on sale bill

The auction is to be held at 1830 S Broadway, Leavenworth KS
on the 3rd day of Dec, 2002. And in case of postponement because of inclement weather, said auction will take place on later date agreeable to both parties. It is mutually agreed that all said goods be sold to the highest bidder, with the exception of items specified by seller in writing to be protected. Auctioneer shall receive full commission on any item withdrawn from sale or transferred or sold within 60 days after the auction. It is further mutually agreed that the auctioneers may deduct their fee at set rate below from the gross sales receipts, resulting from said auction sale. The auctioneers agree to turn net proceeds from sale over to seller immediately following auction, along with sale records and receipts. The seller agrees that all expenses incurred for the advertisement, promotion, and of conducting said auction shall be first paid from the proceeds realized from said auction before the payment and satisfaction of any liens or encumbrances.

The seller covenants and agrees that he has good title and the right to sell, and said goods are free from all incumbrances except as follows: (if none WRITE NONE) _____

Item	Mortgage or Lien Holder	Address	Approximate Unpaid Balance
------	-------------------------	---------	----------------------------

Request for Board Action
Resolution 2022-26
Proposed Amendment to the 2006 Leavenworth County Zoning and
Subdivision Regulations – Articles 19 & 25**

Date: November 2, 2022

To: Board of County Commissioners

From: Planning & Zoning Staff

Department Head Review: Krystal Voth, Reviewed

Additional Reviews as needed:

Budget Review Administrator Review Legal Review

Action Requested: Approve Resolution 2022-26, Proposed Amendment to the Leavenworth County Zoning and Subdivision Regulations – Article 19 & 25.

Analysis: This is a request to consider a proposed amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations. The proposed amendment is for the following Article 19 – Table of Uses and Article 25 – Sign Regulations.

Staff is requesting the Planning Commission and the Board of County Commissioners grant the amend the Table of Uses from “Boat sales, storage and repair” to “Boat & RV sales, storage and repair”.

Staff is also requesting to amend the Sign Regulations in order to come into compliance with the Reed v. Gilbert US Supreme Court decision. The proposed regulations are content-neutral, only regulating time, place and manner as opposed to regulating based upon what is said on the sign. Staff also modified sign types to streamline definitions of signs, codified requirements for large billboard and electronic signs as well as amending sign height and area to be compatible with local community standards.

Recommendation: The Planning Commission voted 6-0 to recommend approval of Case No. DEV-22-047 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 19 & 25.

Alternatives:

1. Approve Resolution 2022-26 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 19 & 25; or
2. Deny Resolution 2022-26 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 19 & 25; or
3. Revise or Modify the Planning Commission Recommendation to Resolution 2022-26 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 19 & 25; or
4. Remand the case back to the Planning Commission.

ARTICLE 25 – SIGN REGULATIONS

Section 1. PURPOSE

Signs perform important functions that are essential for public safety and general welfare. It is the purpose of this Article to promote the public safety and general welfare through reasonable, consistent and content-neutral sign standards. These sign regulations have been prepared with the intent of enhancing the visual environment of the County and promoting its continued well-being, and are intended to:

1. Encourage the effective use of signs as a means of communication in the County;
2. Prevent the obstruction of travel through the county resulting from improperly placed and designed signs;
3. Maintain and enhance the aesthetic environment, quality, and beauty of all areas of the County while enhancing the County's ability to attract sources of economic development and growth;
4. Improve pedestrian and traffic safety; Encourage and allow signs that are appropriate to the zoning district in which they are located and consistent with the category of use and function to which they pertain;
5. Protect property values by ensuring that sign-types, as well as the number of signs, are in harmony with buildings, neighborhoods, and conforming signs, in the area, and
6. Enable the fair and consistent enforcement of these Sign Regulations.

Section 2. APPLICABILITY

The provisions of this Article govern the size, placement, use and structural quality of outdoor signs and other advertising and identification devices together with their appurtenant and auxiliary apparatus. No sign shall be erected, enlarged, constructed, reconstructed, relocated, refaced, structurally or otherwise altered without first obtaining a separate sign permit as set forth in this Article, unless otherwise exempted by the Article.

Section 3. SEVERABILITY

If any part, section, subsection, paragraph, subparagraph, sentence, phrase, clause, term or work in this article is declared invalid, such invalidity shall not affect the validity or enforceability of the remaining portions of this Article.

Section 4. DEFINITIONS

Abandoned Sign: Any sign, including off-site signs and Large ground signs, unless owned and operated by a bona fide billboard company, which for a period of at least ninety (90) days no longer shows evidence of regular maintenance or repair. If a billboard sign is owned and operated by a bona fide billboard company, the length of time before the sign shall be considered abandoned as determined above

shall be one hundred eighty (180) days after written notification to sign owner. Any Nonconforming Sign located on a building or property that is vacant and unoccupied for more than one year shall be deemed abandoned.

Administrative Officer or Official: The Director of Planning and Zoning for Leavenworth County shall be the Administrative Officer and shall enforce the provisions of this resolution.

Animated Sign: A sign containing or depicting action, motion, or light or color changes through electrical, electronic, or mechanical means.

Attention-Getting Device: Any device intended to attract the attention of the public to an establishment, location, product or service, except signs as permitted by this ordinance. Such device or sign may include twirling signs, pennants, streamers, spinners, balloons, inflatable signs, search lights, beacons, and flashing lights or messages.

Awning: A roof-like cover that projects from the wall of a building for the purpose of shielding a doorway, walkway, or window from the elements. Awnings are often made of fabric or flexible plastic supported by a rigid frame, and may be retracted into the face of the building. For the purposes of this Article, an awning sign is considered a building sign and subject to all applicable regulations.

Banner: Any cloth, bunting, plastic, paper, or similar non-rigid material attached to any structure, staff, pole, rope, wire, or framing which is anchored on two or more edges or at all four corners. Banners are temporary in nature and do not include flags. For the purposes of this Article, a banner is considered a temporary sign and subject to all applicable regulations.

Billboard: A sign, that directs attention to a business, commodity, service, or entertainment conducted, sold, or offered at a location other than on the premises on which the sign is located. For the purposes of this Article, a billboard is considered a large ground sign and subject to all applicable regulations.

Building face: The portion of any exterior elevation of a building extending vertically from the ground grade to the top of a parapet wall or eaves and horizontally across the entire width of the building elevation.

Building sign: An on-site sign attached or painted onto a wall, awning, canopy, building or structure, or that is dependent upon a building for support and projects more than one (1) foot beyond the face of said building.

Canopy: A structure other than an awning made of fabric, metal, or other material that is supported by columns or posts affixed to the ground and may also be connected to a building. For the purposes of this Article, a canopy is considered a building sign and subject to all applicable regulations.

Changeable Copy Sign: A sign or portion thereof on which the copy or symbols change either automatically through electrical or electronic means, or manually through placement of letters or symbols on a panel mounted in or on a track system. The two types of changeable-copy signs are manual changeable copy signs and electronic graphic signs, which include message center signs, digital displays, and Tri-Vision Boards.

Damaged Sign: A sign that is unmaintained; has missing pieces, inserts or cabinets; has broken pieces or parts; poses a hazard or is otherwise in poor condition.

Façade: The entire exterior surface of a particular side of a structure or establishment. **Flag:** A sheet made of cloth, fabric, plastic, or similar material that is typically square rectangular, or triangular in shape – but may be constructed with other shapes – that is attachable by one edge to a pole, rope, or other structure, and used as a symbol or as decoration.

Ground sign: A sign placed upon, or supported by the ground independently of any building or structure on the property. This includes a sign supported on fences, poles, posts or other similar appurtenances that are not part of a building,

Illuminated Sign: Any sign where light is used to illuminate the face of the sign. Can be externally or internally illuminated.

Inflatable Sign: A sign that is intended to be expanded by air or other gas for its proper display or support.

Interior Sign: Minor Sign: A Sign, not more than 4 square feet in area and generally not visible from or intended to convey messages to persons in the Public Right of Way. Examples of Minor Signs include such things as parking instructions, directional or wayfinding information, security warnings, business identification, or other similar communications that are accessory to the use of the site and any building located thereon.

Official sign: Any type of Sign that is constructed, placed, or maintained by or at the direction of federal, state or local government.

Off-site sign: A permanent sign that is not specifically designed to be modified in terms of the message that is conveyed, and carries a message other than the name, occupation, or nature of the activities conducted on the premises and shall not include billboard signs. For the purposes of this Article, an off-site sign is considered a building or ground sign and subject to all applicable regulations.

On-site sign: A sign that carries a message that is incidental to the use of the premises where it is located.

Owner: Any person(s), firm(s), corporation(s), or any other legal entity having legal title to or significant proprietary interest in a tract of land (including leasehold interests) or a sign.

Pole sign: A sign where the base of the sign face is more than six (6) feet above ground level and is supported by poles or post. For the purposes of this Article, a pole sign is considered a ground sign and subject to all applicable regulations.

Portable sign: A temporary on-site sign designed in such a manner to be readily movable and not permanently attached to the property; such as, A-frames, trailer signs, signs placed on vehicles, beacon lights and other similar signs. For the purposes of this Article, a portable sign is considered a temporary sign and subject to all applicable regulations.

Roof Sign: Any sign erected upon, against, or above a roof or roof eave, or on top or above the parapet, or on a functional architectural appendage above the roof or roof eave.

Sight Triangle: An area at a street intersection in which nothing shall be erected, placed, planted, or allowed to grow in such a manner as to materially impede vision between a height of 2½ feet and 8 feet above the grades of the outside edge of the street surface of the intersection streets, measured from the point of intersection of the centerline of the streets, 30 feet in each direction along the centerline of the streets. The County Engineer shall establish sight distance triangles based upon standards in the policy manual published by the American Association of State Highway and Transportation Officials (AASHTO).

Sign: Any name, identification, description, display, or illustration that is affixed to, painted, or represented directly or indirectly upon a building or other outdoor surface or support structure and that directs attention to or is designed or intended to direct attention to the Sign Face or to an object, product, place, building, structure, activity, person, institution, organization, or business, including all parts, portions, units, and materials composing the same, together with the frame, background, and supports or anchoring thereof. Any Sign located entirely within an enclosed structure and not exposed to a Public Right of Way or parking lot is not, for the purposes of this Article, considered to be a Sign.

Sign area: The calculated area of the sign as measured by establishing a, or series of, standard geometric shapes around the text, copy, logo, symbol, emblem, and any other elements that establish the message of the sign. Any single element of the sign message shall not be separated by more than one-third the overall length or height of the sign message or by four (4) feet, whichever is less.

Sign height: Sign height shall be determined by measuring from ground level at the foundation of the sign to the highest element of the sign.

Sign structure: The elements which support or are capable of supporting a sign.

Sign setback: The minimum sign setback shall be the horizontal distance between a sign and any lot line, as measured from that part of the sign, including its extremities and supports, nearest to any point on an imaginary vertical plane projecting from the front and side lot line.

Temporary Sign: Any on-site sign, including, but not limited to signs of lightweight cardboard, plastic, or paper material, displayed for not more than thirty (30) consecutive days, nor more than ninety (90) cumulative days per calendar year, unless otherwise stated in these regulations or by State law.

Window Sign: A Sign posted, painted, placed, or affixed in or on a window or a Sign that is located on the interior of a structure that is exposed to public view from the exterior of the structure through a window.

Utility Signs: Signs placed by utility companies as part of the normal operation and maintenance of facilities such as public telephones and underground services.

Section 5. GENERAL SIGN REQUIREMENTS

The following provisions shall apply to the construction, erection, or placement of any sign at any location, unless otherwise specified.

1. *Right-of-Way*: All signs and supports that are located upon or over the public right-of-way, including streets, alleys and parkways, shall be prohibited except as provided below;

- a. Signs and supports required by governmental authority.
 - b. A temporary sign located on public property used to announce a special event or activity, providing the sign is removed after the event or activity has been completed.
2. *Traffic Safety:* No signs shall be erected at or near the intersection of any street(s) or driveways(s) in such a manner as to obstruct or confuse the view of motorists or cyclists. No sign which obstructs the view of motorists using any street intersection shall be allowed within the sight triangle of an intersection. No sign shall be illuminated in a way that interferes with the vision of pedestrians or vehicular traffic.
 3. *Maintenance required:* All signs and all components, including, but not limited to, supports, braces, and anchors, shall be of sound structural quality and shall be kept in a state of good repair, have a clean and neat appearance, and land adjacent to it shall be kept free from debris, weeds, trash, or other such condition by the owner. If signs are not maintained in conformance with the regulations, the Administrative Official shall have the ability to order the repair or removal of any sign found in violation. No subsequent sign permits shall be approved until all violations have been remedied.
 4. *Abandonment/Failure to Maintain.* Any sign considered abandoned by these regulations, the Administrative Official shall proceed against the owner by appropriate legal remedy to obtain compliance. No subsequent sign permits shall be approved until all violations have been remedied.
 5. *Unsafe Signs.* If any sign becomes unsafe or in immediate danger of falling, the Administrative Official will give notice requiring all deficiencies be corrected or the sign be removed within 48 hours.
 6. *Signs on Utility Poles or Trees.* No signs shall be attached to trees, utility poles, or any other unapproved supporting structure.
 7. *Illuminated Signs.* Illuminated signs shall be shaded wherever necessary to avoid casting bright light upon property located in any residential district or upon any public street or park. Signs shall be equipped with a mechanism to automatically adjust the display's illuminative brightness and shall be controlled by means of a light detector/photo cell.
 8. *Use of spotlights and floodlights for illumination.* It shall be unlawful for any person to maintain any sign that is wholly or partially illuminated by floodlights or spotlights that interfere with the vision of pedestrians or vehicular traffic.

Section 6. PERMIT PROCEDURES

No person shall install, erect, cause to be erected, construct, hang or alter any Sign within the County without first obtaining from the County a Sign Permit, unless otherwise exempted by this Article.

1. *Application for Permit:* Applications for a permit shall be made in writing upon forms provided by the Planning & Zoning Department. All applications shall be subject to be rejected if not complete upon receipt by the Planning & Zoning Department. The Planning and Zoning Department may request the following information, among other items, as a complete application:
 - a. The name, street address, and telephone number of both the applicant and the person erecting, constructing, reconstructing, relocating, refacing, structurally or otherwise altering the sign.
 - b. The legal description of the lot or tract and the street address of the building or structure where the sign is to be located.
 - c. Sign plans drawn to scale which shall include external dimensions, above ground elevations, and sign face area of the proposed sign and sign structure, along with the method of construction and attachment to the building or ground.
 - d. A site plan showing the position of the sign(s) in relation to property lines, nearby buildings and structures, along with the locations of rights-of-ways and utility easements.
 - e. A copy of the deed showing ownership of the land.
 - f. If the applicant is not the owner, a signed affidavit with the written consent of the owner(s) of the lot or tract, building or structure on which the sign is to be erected.
 - g. Application fee. Additional fees may be assessed dependent upon the level of review required.
2. *Unusual Signs:* Applications for unusual signs or displays which give rise to questions of interpretation of these regulations may be referred by the Planning & Zoning Department to the Board of County Commissioners for the purpose of interpretation by the Board and recommendation for action on the application by the Planning & Zoning Department. If in the opinion of the Board, the application is not adequately covered by these regulations, the Board may make recommendations for amendment of this Article.
3. *Issuance of Permit:* Upon the filing of an application for a sign permit and payment of the applicable permit fee as provided herein, the Planning & Zoning Department or such persons designated shall examine such plans and specifications, along with the premises upon which the sign proposed to be erected, and any other pertinent data, to determine whether the proposed sign would comply with these regulations. If all applicable requirements are met, the permit shall be issued and shall be valid for construction and erection, alteration or relocation of the sign within six (6) months from the date the permit is issued.
 - a. The issuance of the Sign Permit, as required by these regulations, shall not act in lieu of any other permits or fees required by the electrical code or building code or any other governmental rules or regulations adopted by the County or any other governmental entity and made applicable to the sign and its placement.
 - b. Permit Fees: Before being granted a permit for a sign, every applicant shall pay to the County a permit fee as established by resolution of the Board.

- c. **Permit Revocation:** If the Administrative Official or such persons designated shall find that any sign subject to these regulations is unsafe or insecure; is a possible danger to the public health, safety, or welfare due to structural defects; has been allowed to deteriorate to such condition that it is unsightly; has been constructed or erected or is being maintained in violation of the provisions of these regulations, then written notice shall be given to the owner of the premises or, if different than the owner, the occupant(s) of the premises on which the sign is located, specifying the problem. If such person fails to remove or alter the sign to comply with the provisions of these regulations within fifteen (15) days of such notice, the Administrative Official may take such action as may be necessary to cause such sign to be removed or altered to comply with these regulations, which shall be at the expense of the applicant or owner(s) of the property on which the sign is located. If a sign is an immediate hazard to the public health, safety, or welfare, in the opinion of the Planning & Zoning Department, the Planning & Zoning Department may cause it to be removed immediately and without notice.

Special Conditions:

Restrictive Order: The Parties acknowledge that an operational flow order, curtailment order, critical notice, or other governmental or Transporter directive concerning actual or potential limits or restrictions on the transportation, delivery, receipt, and/or use of Gas to, by, or for Seller, Buyer, or its affiliates (the 'RO Gas') or otherwise may occur (a 'Restrictive Order') with little to no advance notification. Each Party will comply with and take all commercially reasonable actions necessary to mitigate the impact of such Restrictive Order, and any charges or penalties assessed by a governmental authority or Transporter will be borne by the Party who failed to mitigate or comply with such Restrictive Order. A Restrictive Order may require or may result in the need for (as reasonably determined by Seller), Seller to sell RO Gas to Buyer at a price subject to then-current market pricing, which may differ from the Contract Price, and any such RO Gas will be priced and invoiced to Buyer (including any charges or penalties applicable thereto) as reasonably determined by Seller and paid by Buyer in accordance with the Base Contract. Seller shall deliver or receive RO Gas on a commercially reasonable basis, including subject to available transportation. For the avoidance of doubt, RO Gas will not be priced at the Contract Price and is not counted towards or subject to the Volume Commitment or Buyer's full requirements. If Buyer fails to comply with a Restrictive Order, Buyer shall be responsible for compensating Seller for Gas, at pricing reasonably determined by Seller, to provide RO Gas or otherwise cover Buyer's receipt or use of Gas. Notwithstanding anything herein, if because of any Restrictive Order Seller is unable to deliver or Buyer is unable to receive all or a portion of RO Gas, then Seller will have no obligation to credit to or repurchase from Buyer any portion of such RO Gas. For the purposes of this Transaction, a 'Transporter' is the Gas gathering or pipeline company, or local distribution company, transporting Gas for Seller or Buyer upstream or downstream, respectively, of the Delivery Point(s).

	Create an environment where staff are being consistently trained and coached on evidence-based practices and how they are to be effectively used in corrections.	Director	Ongoing	Ongoing, we have a great group dynamic and continue to engage in continued ed and refresher trainings to keep our skills sharp.	N/A	N/A
	Ensure we are targeting interventions to the risk and needs of our offenders responsively and to the appropriate cognitive behavioral interventions by offering case staffing opportunities to ISOs.	Director & ISO II	Ongoing	Ongoing, we have a process for staffing cases using written court summaries, which ensures the ISO II and director have eyes on any cases and sign off on the recommendations going to court, this assists in our checks and balances even if we can't have a verbal staffing.	N/A	N/A
	Ensure staff are utilizing the evidence-based decision making matrix/graduated responses through observational audits.	Director & ISO II	Ongoing	In Q1 no observational audits were conducted, however, this director received a copy of the quality assurance feedback observation forms and plans to utilize those in assessing the use of EBDM/GRs in office visits.	Time and turnover	N/A
	Ensure caseload sizes are appropriate for effective supervision by frequently monitoring caseload spreadsheets, agency population, and assigning cases to officers accordingly.	Director & ISO II	Ongoing	Caseload sizes have been consistently high for the first quarter of FY23 due to turnover, court processing cases faster, absconders being picked up on their warrants. However, in September we did hire a fourth officer and she is in training so we are hoping to spread cases out and get them back to more manageable levels. Caseload spreadsheets have certainly helped stay accountable to this issue.	Turnover and increasing ADP	N/A
	Ensure officer caseloads are being tracked on internal spreadsheets so extensions are filed 60 days prior to sentence expirations, to avoid loss of jurisdiction.	Director & ISO II	Ongoing	Ongoing, this has been extremely helpful, officers also keep the names of cases that are expiring on a whiteboard, for the upcoming three months as a reminder for extensions and closures as well. Please describe the JCAB process to collect information used to develop this report:

In determining the data to fill out this report many sources were used. End dates, Supervision Levels, Males/Females in the Community, JCF, or out of home placement were searched out from Athena and client files for the data regarding Community Corrections. In regards to Court Services, they reported their internal data to our office. In regards to services that we offer in our district, information was gained through knowledge of what has been utilized in the past as well as what programs are available currently. Through networking and collaboration between agency partners, as well as soliciting stakeholder feedback from JCAB board members we are able to understand gaps and barriers that our youth and families are facing in our community.

Program Data: Table 2

INSTRUCTIONS: Please identify the top two needs in your judicial district and provide thorough and complete information regarding these needs. Aligning with K.S.A. 75-7044a(b), identified needs should be addressed through the new JCAB grant process or Reinvestment Grants. If information is incomplete, it will be omitted from the final report to the JIOC. If no additional programs/services are currently needed, please indicate.

Program/Service 1: Name of Program/Service	Brief Description of the Program/Service	Description of Need for the Program/Service	Data Supporting the Need for the Program/Service
Multisystemic Therapy (MST) Program	Multisystemic Therapy (MST) is an evidence-based intervention for youth at risk of severe system consequences due to serious externalizing, anti-social, and/or delinquent behaviors (e.g., criminal activity, substance use) and their families. Youth and families receive treatment within the systems they are embedded in, such as their homes, schools, and communities, via licensed Multisystemic Therapy providers, which consist of a team (or teams) of 2-4 therapists and a supervisor. MST teams are on call 24/7 to provide treatment when and where it is needed—within any combination of these systems—and are dedicated to improving youth and family functioning.	MST is currently offered to CINC youth but there is such a long waitlist and so few providers it is currently reserved for only DCFs extraordinarily high risk/high need youth. Unfortunately, it is rare our justice involved youth are able to participate in those services. MST has long been a need for the 1st Judicial District, however, our Community Mental Health provider does not have the available funds to support this program thus we would need grant funds from the state's evidence-based practices funds to start a program specifically geared towards justice involved youth at risk of out-of-home placement.	Over a decade ago, when MST was in the community, it was highly successful with justice involved youth and had a 94% success rate for youth participating that were on probation. Currently, these services are not available and since they have done so our probation success rate has also declined. Currently, probation success is 33.33% while the other youth are unsuccessful.
Program/Service 2: Name of Program	Brief Description of the Program		Data Supporting the Need for the Program
Transport Services	The service that would have the greatest impact on youth recidivism second to a MST program would be a transportation service.	As we know, many of our youth are not old enough to obtain their license yet and many families are unable to purchase vehicles. Even when parents or guardians have vehicles, many of them are working and unable to leave work to transport youth to and from school, therapy, community service work, probation, substance treatment, med management appointments, court, etc. Being able to remove this barrier would allow youth to focus on long term behavior change efforts, education, and put less parental stress on parents for system involved youth which is also a risk for recidivism. Thus, we would remove this burden from their parents, potentially improving family/household dynamics.	Currently, Leavenworth County does not have public transportation. Medicaid transports are by appointment only but will not help with court related appointments, only medical and mental health appointments can request transportation. Community Corrections agencies in neighboring counties are operating successful transport services and improving success rates for their youth, as showing up is genuinely half the battle. Transportation access reduces recidivism. We need to address this gap in services for our youth and their parents.

Focus on programs/services to reduce reliance on out-of-home placement and to reduce recidivism. Do not include programs/services already implemented in the district. Do not include programs/services funded by the state. Please leave blank.
