*****April 6, 2022 *****

The Board of County Commissioners met in a regular session on Wednesday, April 6, 2022. Commissioner Mike Smith, Commissioner Culbertson, Commissioner Kaaz, Commissioner Doug Smith and Commissioner Stieben are present; Also present: Mark Loughry, County Administrator; David Van Parys, Senior County Counselor; Bill Noll, Infrastructure and Construction Services; Connie Harmon, Council on Aging Director; Kelly Meyer, CASA Director; Deborah Lyles, CASA; John Richmeier, Leavenworth Times

Residents: AW Himpel, John Matthews, Dennis Taylor

PUBLIC COMMENT:

There were no public comments.

ADMINISTRATIVE BUSINESS:

Mark Loughry requested approval for a letter of support for the RAISE grant application.

A motion was made by Commissioner Stieben and seconded by Commissioner Kaaz to approve the letter of support for the RAISE grant.

Motion passed, 5-0.

Commissioner Stieben raised a question of the authority of the Commission regarding tannerite in the County.

David Van Parys indicated the state fire marshal has authority to regulate and control explosives.

Commissioner Stieben reported a bill is waiting to be approved that would allow Commissioners to abate property taxes on out buildings damaged in a declared disaster.

Commissioner Culbertson addressed misinformation about appraisals and valuations conducted through the County Appraiser's Office.

A motion was made by Commissioner Culbertson and seconded by Commissioner Doug Smith that the County Commissioners tell the County Appraiser to freeze everyone's property values from 2021-2022, no increase in values.

Mr. Van Parys reported the action in the motion is not lawful as the County Commission cannot direct the County Appraiser as the Appraiser is directed by the Department of Revenue indicating the motion would be null and void under Kansas Law.

Commissioner Culbertson withdrew his motion and Commissioner Doug Smith withdrew his second.

A motion was made by Commissioner Culbertson and seconded by Commissioner Doug Smith that when the State follows the law of K.S.A. 79-2959 and 79-2964 and returns our LAVTR money we will use 100% of it to reduce our mill levy and relieve everyone's tax amount that they pay to the County.

Motion passed, 5-0.

Commissioner Mike Smith read a proclamation for National Child Abuse Prevention month.

Kelly Meyer expressed her appreciation on behalf of CASA.

Mr. Loughry reported a vacancy on the Council on Aging advisory board and inquired on how the Board would like to proceed with the recommendation of the provided or to advertise for the position.

Commissioner Kaaz indicated the Commission should rely on the recommendations of the advisory board.

Mr. Loughry indicated he will put the recommendation on the consent agenda for next week.

A motion was made by Commissioner Culbertson and seconded by Commissioner Mike Smith to accept the consent agenda for Wednesday, April 6, 2022 as presented.

Motion passed, 5-0.

Bill Noll requested disposal of surplus equipment to sell on PurpleWave.

A motion was made by Commissioner Doug Smith and seconded by Commissioner Stieben to authorize the Public Works Department to surplus the equipment listed to PurpleWave auctions.

Motion passed, 5-0.

Mr. Loughry presented drawings from the Challenge Coin contest.

The Board selected a winner of the Challenge Coin contest.

Commissioner Culbertson attended the Easton City Council meeting.

Commissioner Kaaz attended the Mental Health Task Force meeting. She will attend the Mental Health Summit next week.

Commissioner Mike Smith reported the city of Lansing is looking at building an aquatics center.

All Commissioners participated in a joint work session with the Leavenworth City Commission on Tuesday evening.

A motion was made by Commissioner Kaaz and seconded by Commissioner Stieben to adjourn.

Motion passed, 5-0.

The Board adjourned at 9:48 a.m.

 - Staff will submit bid for furniture by May 1.

2nd Quarter Report

PLANNING & ZONING

KRYSTAL A. VOTH

Planning & Zoning Department News

The Planning & Zoning Department has continued to offer exceptional customer service, timely processing of applications and amendments to the Zoning and Subdivision Regulations through the end of 2021. In the year 2021 P&Z was responsible for processing 204 development applications and more than 200 building permit applications. This is an increase of more than 40 development applications from the previous year.

In addition to the development cases, Staff brought forward a number of policy changes and is currently working on a new policy for Wind Energy Conversion Systems. Staff is also in the process of writing a new sign code which will be presented to the Board during a work session in mid-spring.

Staff recently proposed amendments to the Special Use Permit process. Those amendments were adopted by the Board.

Staff has completed the annual review of the Comprehensive Plan. The Board of County Commissioners have also completed their review.

Staff has adopted a “rolling deadline” for development applications. This new procedure has been adopted in order to streamline the development process and to allow items to be forwarded to the Planning Commission in a more efficient manner. This policy has been in effect for approximately six months and is generally a positive change.

Staff is currently doing a through review of the Zoning and Subdivision Regulations. Staff is looking for any inconsistencies between sections, updating definitions and clarifying expectations. These updates will provide a clearer and concise zoning regulations. Staff is currently working on text amendments to bring before the Planning Commission and the Board of County Commissioners for adoption.

Departmental Updates

The department has recently undergone a number of internal changes, specifically changes related to permits, applications and the processing of those items. These changes have been implemented in order to clarify processes and expedite, when appropriate, development review. Staff will continue to evaluate and accommodate processes in order to provide the most efficient and comprehensive service possible.

Applications

The department is continually evaluating all permits and applications for any inconsistencies. Staff removed any items that were not relevant or were outdated. Staff clarified processes, provided clear information and expectations in order to provide a better experience to developers and applicants. Staff will continue to evaluate the permits and applications to ensure the best product possible. Staff has continued to modify and further clarify our applications. In addition to updating applications for the public, Staff has worked to clarify and adopt internal policies in order to ensure that all applications are treated the same. This is an ongoing process. The development of the new website was a great opportunity to once again thoroughly review our applications and procedures.

Joint Review Committee

Staff has instituted a Joint Review Committee with Planning, Public Works and Survey. These weekly meetings allow the departments to review items together in order to discuss potential issues. Having these meetings in place has been a key factor in our Staff being able to continue to provide excellent customer service. In addition to the meetings, Staff continues to work with Public Works when writing Staff Reports (when applicable) to help facilitate a clear and common goal. These meetings continue to take place. Staff is often able to identify potential issues with an application prior to the application being officially submitted which has helped speed up the development process.

Development Submittal Meeting

Staff has a protocol for a development submittal meeting. This will ensure that the appropriate documents are submitted upon application. In the event the appropriate documents are not provided, the application will not be accepted. The applicant/developer will be informed of the missing items immediately so that they can obtain the appropriate documents and resubmit. Developers are strongly encouraged to schedule a meeting prior to the deadline in order to provide time to procure any missing documents. At this submittal meeting, Staff will not be checking the accuracy of documents. Upon further review, there may be additional information needed. This policy has remained in place; however, many applications are handled via email and the online application system through the new website.

Sanitary Code Updates

The sanitary code has been updated and implemented as of July 21, 2021.

Regulation Updates

Staff completed a thorough update of the Special Use Permit regulations. Staff is currently working on a thorough review of the Zoning and Subdivision Regulations to clarify any existing inconsistent items. Staff is also currently working on updating the sign code and adding a section of our regulations regarding wind energy conversion towers.

Committees

Planning and Zoning Staff are members of numerous committees, primarily committees spearheaded by the Mid-America Regional Council and the Kansas Department of Transportation. Participation in these committees helps ensure Leavenworth County is up-to-date with funding opportunities, planning initiatives and plan making which may affect Leavenworth County.

Building Codes Appeals Board

This Board has been established. They have met to adopt by-laws and elect a chairman.

Active Transportation Programming Committee (ATPC)

The Active Transportation Programming Committee oversees federal programs that provide funds to sponsors of transportation projects that benefit pedestrians, bicyclists and other non-motorized transportation users. The committee assists in reviewing project applications and provides recommendations to the Total Transportation Policy Committee (TTPC), Air Quality Forum and MARC Board of Directors. The committee also assists in monitoring and reporting on the progress of funded projects.

Air Quality Forum

The Air Quality Forum is a policy committee comprised of local elected officials, air quality and transportation agency personnel, and business and community group representatives. The Forum reviews regional air quality issues and makes policy recommendations regarding those issues to the MARC Board of Directors and the states of Kansas and Missouri. There are 31 seats on the Forum. Local governments occupy 21 seats, four are held by state air and transportation agencies, three by business and economic development concerns, and three are designated for health and environmental groups.

K-7 Corridor Management Committee

The K-7 Corridor plan was prepared under the direction of the K-7 Corridor Core Team, with additional input and participation by residents, stakeholders, and property owners within the Corridor. Meetings are held quarterly to discuss any changes in the corridor.

Planning Commission

The Planning Commission meets on the second Wednesday of each month to hear development cases. Typically, these cases include Special Use Permits, Plats and Rezoning requests. The Planning Commission is tasked with hearing development cases, and providing a recommendation to the Board of County Commissioners. The Planning Commission also holds work sessions periodically in order to assist staff in amending regulations or to have study sessions to review relevant case law.

Work Sessions

Work Sessions with the BOCC are held regularly. Staff also regularly holds work sessions with the Planning Commission. The next identified work session will be regarding updating the Sign Code.
