

At this time the Courthouse is open to the public. Anyone wishing to attend will need to call ahead at 913-684-0417 to reserve a seat as the meeting room has limited capacity. We are encouraging everyone to continue to view the meeting live via YouTube.

*Leavenworth County*  
*Board of County Commissioners*

*Regular Meeting Agenda*  
300 Walnut Street, Suite 225  
Leavenworth, KS 66048  
June 16, 2021  
9:00 a.m.

- I. CALL TO ORDER
- II. PLEDGE OF ALLEGIANCE/MOMENT OF SILENCE
- III. ROLL CALL
- IV. PUBLIC COMMENT: Public Comment shall be limited to 15 minutes at the beginning of each meeting for agenda items **only** and limited to three minutes per person. Comments at the end of the meeting shall be open to any topic of general interest to the Board of County Commissioners and limited to five minutes per person. There should be no expectation of interaction by the Commission during this time.  
  
Anyone wishing to make comments either on items on the agenda or not are encouraged to provide their comments in writing no later than 8:00 AM the Monday immediately preceding the meeting. These comments will be included in the agenda packet for everyone to access and review. This allows the Commission to have time to fully consider input and request follow up if needed prior to the meeting.
- V. ADMINISTRATIVE BUSINESS:
  - a) Designate voting delegate for the 2021 NACO annual conference
- VI. CONSENT AGENDA: The items on the Consent Agenda are considered by staff to be routine business items. Approval of the items may be made by a single motion, seconded, and a majority vote with no separate discussion of any item listed. Should a member of the Governing Body desire to discuss any item, it will be removed from the Consent Agenda and considered separately.

- a) Approval of the minutes of June 9, 2021
- b) Approval of the minutes of the work session of June 9, 2021
- c) Approval of the schedule for the week June 21, 2021
- d) Approval of the check register
- e) Approve and sign the OCB's

VII. FORMAL BOARD ACTION:

- a) Consider a motion to authorize EMS to order and purchase a high-fidelity manikin from Gaumard.
- b) Consider a motion to accept a bid for the Juvenile Detention Center conversion project.
- c) Consider a motion to approve Resolution 2021-18, amending Articles 41 & 43 of the Leavenworth County Zoning and Subdivision Regulations.
- d) Consider a motion to approve Resolution 2021-19, endorsement of the projects applied for through the 2021 Access, Innovation and Collaboration Public Transportation Call for Projects.
- e) Consider a motion to approve Resolution 2021-20, replacing the yield sign with a stop sign on Kissinger Road at the intersection of 219<sup>th</sup> and Kissinger Road.

VIII. PRESENTATIONS AND DISCUSSION ITEMS: presentations are materials of general concern where no action or vote is requested or anticipated.

IX. ADDITIONAL PUBLIC COMMENT IF NEEDED

X. ADJOURNMENT

Commissioner Mike Smith, Commissioner Kaaz and Commissioner Stieben are present; Commissioner Culbertson is present by phone; Commissioner Doug Smith is absent; Also present: Mark Loughry, County Administrator; David Van Parys, Senior County Counselor; Connie Harmon, Council on Aging Director; Krystal Voth, Planning and Zoning Director; Bill Noll, Infrastructure and Construction Services; Jamie VanHouten, Community Corrections Director; John Richmeier, Leavenworth Times

Residents: AW Himpel, Matt Kaaz, Michael Foster

**PUBLIC COMMENT:**

There were no public comments.

**ADMINISTRATIVE BUSINESS:**

Commissioner Mike Smith read a proclamation proclaiming June 15<sup>th</sup> as World Elder Abuse Awareness Day.

David Van Parys reported the city of Leavenworth approved the County's rezoning request of the former Cushing Hospital allowing the County to proceed with proper use of the building.

Mark Loughry updated the Board on the American Rescue Plan funding.

***A motion was made by Commissioner Kaaz and seconded by Commissioner Mike Smith to accept the consent agenda for Wednesday, June 9, 2021.***

***Motion passed, 4-0.***

Jamie VanHouten requested appointment of two members to the Adult Community Corrections Advisory Board.

***A motion was made by Commissioner Mike Smith and seconded by Commissioner Kaaz to nominate Jermaine Wilson to the Adult Community Corrections Advisory Board.***

***Motion passed, 4-0.***

***A motion was made by Commissioner Kaaz and seconded by Commissioner Mike Smith to nominate Jesse Johns to the Adult Community Corrections Advisory Board.***

***Motion passed, 4-0.***

Bill Noll requested acceptance of the proposal for rock crushing at the Tonganoxie Quarry from Lexeco.

***A motion was made by Commissioner Stieben and seconded by Commissioner Mike Smith to accept the proposal for rock crushing from Lexeco.***

***Motion passed, 4-0.***

***A motion was made by Commissioner Kaaz and seconded by Commissioner Mike Smith to adjourn as the Board of County Commissioners and convene as the Leavenworth County Board of Health.***

***Motion passed, 4-0.***

David Van Parys reported that a residence located in Easton has a failed septic system in which sewage has backed up into the home. He indicated a licensed professional has deemed the residence unsafe for human habitation.

***A motion was made by Commissioner Stieben and seconded by Commissioner Mike Smith that the Board of Health declare the property located at 33811 243<sup>rd</sup> St., Easton, Kansas to be an imminent health hazard and should be deemed uninhabitable.***

***Motion passed, 4-0.***

***A motion was made by Commissioner Kaaz and seconded by commissioner Stieben to adjourn as the Leavenworth County Board of Health and reconvene as the Board of County Commissioners.***

***Motion passed, 4-0.***

Commissioner Stieben reported he will hold a townhall meeting tomorrow evening in Linwood.

Commissioner Kaaz attended the Leavenworth City Commission meeting last night and participated in the Mental Health Task Force meeting.

Commissioner Culbertson met with township fire departments to find out the issue with pagers.

***A motion was made by Commissioner Kaaz and seconded by Commissioner Stieben to adjourn.***

***Motion passed, 4-0.***

The Board adjourned at 9:24 a.m.

\*\*\*\*\*June 9, 2021 \*\*\*\*\*

# Leavenworth County Request for Approval

**Date:** June 7, 2021

**To:** Mark Loughry  
Janet Klasinski

**From:** Jamie Miller

**Department Head Approval:**     Jamie Miller    

**Additional Reviews as needed:**

**Budget Review**  **Administrator Review**  **Financial Review**

---

---

**Action Requested:** Authorize the EMS Department to order and purchase a high-fidelity manikin for Gaumard

**Recommendation:** Approval

**Analysis:** In the last several years EMS training manikins have increased in capability and realism. High-Fidelity Manikins as they are referred to, bring a higher level of reality to the hands-on training needed for health care. In prior years, most hands-on training was completed on modeled training aides. While these training aides can be effective for skills practice, they do not offer the interaction or the challenge that a more realistic manikin does. Other providers or humans are often used be patients; however, skills and treatments have to be modified significantly in these cases not replicating a true patient.

As healthcare professionals, EMS providers must be competent in hands-on skills. But skills aren't all that is required. Good providers must be critical thinkers who can respond quickly to a variety of possible changes within a patient's condition. Training aides do not provide any immediate feedback or direct communication with the provider. With that in mind, increasing the realism of scenario-based training for EMS providers has received a lot of attention in recent years.

Over the last few years, Leavenworth County EMS has attempted to increase the realism in scenario-based training. From moulaging a volunteer "patient", to creating a simulated hospital room, to using donated vehicles for mock motor vehicle collision exercises, these are some of the efforts to incorporate a more realistic training experience. However, our efforts are limited by our available technologies. Covid19 has even furthered the need to have the ability to train without using additional human interactions.

Most colleges and educational training centers with healthcare programs have already moved to this technology by incorporating higher fidelity manikins, ambulance simulators, and even entire rooms devoted to immersing students in a patient care experience to increase learning. The National Registry of EMTs is now incorporating interactive scenarios as part of their testing requirements for new paramedics and EMTs. It offers the most realistic challenge and feedback to both the instructor and student. This gives the employee the ability to use current equipment enhancing muscle memory and providing real time feedback without the instructor having to "intervene" in the situation.

Steve Harvey said that "failure is a great teacher," and it is. However, EMS providers along with all healthcare professionals do not always have the luxury of making a mistake in an actual patient

contact. Realistic simulation training allows the provider to make those mistakes, to learn from them, and to become better because of them.

**Financial:**

EMS was provided funding through the provider relief funding (Health resources and services administration) This funding was to assist organizations with expenses incurred from coronavirus. Funding has to be utilized by June 30 or the remaining funding will have to be returned. The current available balance is 83,078.06. Training equipment is an allowable expense under this funding program.

Total Cost of Manikin \$62,542

Manikin	– 48,995
Service Agreement	– 10,495
Delivery/training in-service	– 2,500

**Budgetary Impact:**

# Leavenworth County Request for Board Action

Date: June 16,, 2021

To: Board of County Commissioners

From: Buildings and Grounds

Department Head Approval: *Aaron Yoakam*

## Additional Reviews as needed:

Budget Review  Administrator Review  Legal Review

---

---

**Action Requested:** Accept a bid for the JDC Conversion Project.

**Recommendation:** Select and approve the contract for JDC Conversion project. A recommendation from Buildings and grounds is not made as low bidder is a new company and we are unable to verify references.

**Analysis:** Bids were solicited in accordance with the Leavenworth County Purchasing Policy and read aloud by the Office of the County Clerk at 10:00am on June 2, 2021. The results are included in the attached document with the totals shown below:

1	Paritrave Innovations, Inc – Overland Park, KS (Johnson County)	\$190,000.00
2	.Brunson Builders, Inc. - Leavenworth, KS (Leavenworth County)	\$239,477.00
3	Sands Construction Co. – Leavenworth, KS (Leavenworth County)	\$253,000.00
4	Conco, Inc – Wichita, KS (Sedgwick County)	\$315,000.00
5	DI Build, LLC. – Shawnee, KS (Johnson County)	\$317,664.00
6	Straub Construction Inc - Shawnee, KS (Johnson County)	\$404,000.00

Low bid, from Paritrave Innovations, Inc. located in Overland Park, Kansas (Johnson County) is \$190,000.00.

**Alternatives:** Table, Deny, Approve

## **Budgetary Impact:**

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

## **Total Amount Requested:**

Not to exceed awarded contractors bid and 10% contingency for unknown cost associated with variables not accounted for due to unknowns in walls during demolition

Resolution 2021-18**

**Proposed Amendment to the 2006 Leavenworth County Zoning and Subdivision  
Regulations – Article 41 & 43**

**Date:** June 15, 2021

**To:** Board of County Commissioners

**From:** Planning & Zoning Staff

**Department Head Review:**           Krystal Voth, Reviewed          

**Additional Reviews as needed:**

**Budget Review  Administrator Review  Legal Review**

---

---

**Action Requested:** Approve Resolution 2021-18 Amendments to the Leavenworth County Zoning and Subdivision Regulations Articles 41 & 43. Article 41 has been amended per direction for the Board of County Commissioners. The proposed language is as follows:

***Roadway Spacing:***

*When it can be avoided, the County does not wish to create minimally offset T intersections. If there is a roadway on the opposite side of the proposed road, effort should be made to create either a 4-way intersection or provide enough spacing between the proposed and existing roadway for car stacking. The minimum spacing, if line of sight is available, between the proposed roadway and the existing roadway shall be no less than 100 feet. If the development must be reduced by more than one lot to meet this requirement, the developer may locate the proposed intersection at the location that provides the greatest distance possible but does not impact the proposed available development size.*

*The following roadway spacing requirements are to be met only along the side of the roadway that is being accessed. The minimum offset spacing for a new roadway intersection is based upon the highest classification of roadway for either the roadway being accessed or the nearest intersecting roadway. Where there are intersections on either side of the proposed point of access, each intersection will be treated independently and the proposed roadway must meet both roadway spacing requirements. These standards, for purposes of approval of subdivision plats pursuant to the Leavenworth County Subdivision Regulations, are hereby adopted as follows:*

<b><i>Existing Roadway Classification</i></b>	<b><i>Minimum Road Spacing (Feet)</i></b>
<i>State</i>	660
<i>Arterial</i>	660
<i>Collector</i>	660
<i>Local</i>	330
<i>Interior Subdivision</i>	330

**Analysis:** This is a request to amend Article 41 – Access Management and Article 43 -Cross Access Easements. The proposed amendments are in accordance with direction from the Board of County Commissioners and serve to provide clarity to the regulations.

**Recommendation:** The Planning Commission voted 7-0 to recommend approval of Case No. DEV-21-033 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 41 & 43.

**Alternatives:**

1. Approve Resolution 2021-18 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 41 & 43, with Findings of Fact, and with or without conditions; or
2. Deny Resolution 2021-18 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 41 & 43, with Findings of Fact; or
3. Revise or Modify the Planning Commission Recommendation Resolution 2021-18 Amendment to the 2006 Leavenworth County Zoning and Subdivision Regulations – Article 41 & 43, with Findings of Fact; or
4. Remand the case back to the Planning Commission.

**Budgetary Impact:**

- X Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

**Total Amount Requested:**

\$0.00

**Additional Attachments:** Staff Report, Planning Commission Minutes

## RESOLUTION 2021-18

A resolution of the Leavenworth County Kansas Board of County Commission, to amend the following articles of the 2006 Zoning and Subdivision Regulations:

Article 41- Access Management

Article 43 – Cross Access Easements

### **ARTICLE 41- ACCESS MANAGEMENT**

#### **Section 1. OVERVIEW**

The intent and purpose of the Access Management Policy is to encourage the orderly development of land while maximizing the health, safety and welfare of residents within Leavenworth County. The proposed Access Management Policy shall promote safety within Leavenworth County by assessing the number of access points thereby evaluating the safety of County roadways. The proposed Access Management Policy shall promote current and future development within areas of the County by encouraging the preservation of property which ultimately preserves land for future development. The proposed Access Management Policy shall preserve parcels of land where services can be feasibly provided in the future. Parcels of land which are situated adjacent to and abutting County Arterial and County Local Roads shall be subject to the policies and restrictions set forth in the Access Management Policy. Policies and regulations set forth in the Special Development District and future development districts shall supersede the Access Management Policy for parcels within those districts.

The Access Management Policy provides for the development of land, while protecting and managing current and future access, by allowing access of driveways to parcels which meet the minimum required road frontage. Driveway spacing will be determined by the road classification system.

Those regulations specific to the Access Management Policy would apply to properties only upon development or change of use. The Access Management Policy encompasses all parcels of land which are adjacent to or abutting County Arterial and County Collector Road.

#### **Section 2. DEFINITIONS**

1. Development – Any division of the land.
2. Road Classification System – See Exhibit A
3. Public Road Entrance Management Standards – See Exhibit B
4. Public Road Access Management Standards – See Exhibit C

#### **Section 3. ZONING AND SUBDIVISION REGULATIONS**

Development of parcels shall be subject to the standards and requirements set forth in the Leavenworth County Zoning and Subdivision Regulations, Sanitary Code and Floodplain Management Ordinance.

#### **Section 4. URBAN GROWTH MANAGEMENT AREAS**

Development occurring within 660' feet of an incorporated city limits shall be required to obtain and produce a Certificate of Authorization for access; unless:

1. The incorporated City and County have agreed upon and implemented a separate Access Agreement Policy.

#### **Section 5. VARIANCES**

An applicant may apply for a variance to the Access Management Policy. The Board of Zoning Appeals may review and approve a variance on a case-by-case basis according to the criteria set forth in the Leavenworth County Zoning and Subdivision Regulations Article 28 – Board of Zoning Appeals.

#### **Section 6. EXHIBITS**

##### **EXHIBIT A – Roadway Classification Definitions:**

- A. MAJOR – Roadway section with historical vehicle traffic volumes of greater than 1000 vehicles per day (vpd).

- B. MINOR – Roadway section with historical vehicle traffic volumes of less than or equal to 1000 vehicles per day (vpd).
- C. STATE – Roadway that is maintained by the State of Kansas. All Access Management on state maintained roadways is determined by the State of Kansas
- D. ARTERIAL – Roadway that carries longer-distance traffic flow between communities and important centers of activity.
- E. COLLECTOR – Roadway that carries traffic from local streets to arterial streets
- F. LOCAL – Low capacity roadways that carries traffic from interior subdivision roadways to adjacent local, collector, arterial, or state roads
- G. INTERIOR SUBDIVISION – Roadways, either public or private, designed as part of a subdivision, built by the developer, to provide access to the residential properties within the subdivision. These roadways are identified as ‘Local Roadways’ or ‘Private Roadways’ on Leavenworth County Classification Map.

**EXHIBIT B - Public Road Entrance Management Standards:**

- 1. The minimum entrance spacing standards from adjacent roadways or other adjacent entrances shall be dependent upon the road classification of the roadway being accessed. Spacing is required to be met only along the side of the roadway that is being accessed. Entrance spacing requirements are designated by zoning districts as follows:
  - a. **Residential Entrance Spacing:**  
The entrance spacing standards for entrance permits for platted and unplatted residential property onto public roads in the unincorporated areas of Leavenworth County are hereby adopted as follows:
    - I. Major Arterial Roadway: Minimum Required Entrance Spacing = 660 feet
    - II. Corner Clearance from Intersection = 330 feet
    - III. Minor Arterial Roadway: Minimum Required Entrance Spacing = 300 feet
    - IV. Corner Clearance from Intersection = 200 feet
    - V. Major Collector Roadway: Minimum Required Entrance Spacing = 300 feet
    - VI. Corner Clearance from Intersection = 200 feet
    - VII. Minor Collector Roadway: Minimum Required Entrance Spacing = 200 feet
    - VIII. Corner Clearance from Intersection = 100 feet
    - IX. Local/Interior Subdivision Roadway: Minimum Required Entrance Spacing = \*See Below
    - X. Corner Clearance from Intersection = 100 feet
  - b. **Additional Provisions**
    - I. Residential Lots fronting upon a roadway classified as a Local Road by the Leavenworth County Classification Map shall access the roadway with an entrance in a location that meets the line of sight requirements generally accepted by engineering standards within the AASHTO Green Book. It is desirable that they be designed and located to meet criteria for intersection sight distance and other design elements set forth. However, where this is not practical, they should be located to provide the best reasonable sight distance and meet other design criteria to the extent practicable.
    - II. Lots with frontage on roadways of various road classifications must place their entrance along the roadway with the lower roadway classification. Any lot that abuts a local road and has secondary frontage must utilize the local roadway for its access location. Any lot that abuts two local roadways must utilize the roadway with the lowest traffic volume. All lots that have frontage on interior subdivision roadways must access the property from said interior roadway.

- III. Each Lot is allowed one primary entrance. Lots that are three acres or larger shall be allowed a secondary entrance location. The secondary location must meet the same spacing requirements set forth for the primary entrance location.
- IV. All existing lots are permitted a primary entrance, when possible. In the event that an existing property cannot meet the required spacing as stated in this policy, the entrance shall be located to provide the best reasonable sight distance and meet other design criteria to the extent practicable. No lot shall be created that would require the neighboring property to be accessed by a noncompliant entrance.

**c. Business/Industrial Entrance Spacing**

The entrance spacing standards for entrance permits for business or industrially zoned properties onto public roads in the unincorporated areas of Leavenworth County are hereby adopted as follows:

**I. Arterial Roadway:**

- a. Minimum Required Entrance Spacing = 250 feet
- b. Corner Clearance from Intersection = 330 feet

**II. Collector Roadway:**

- a. Minimum Required Entrance Spacing = 200 feet
- b. Corner Clearance from Intersection = 200 feet

**III. Local Roadway:**

- a. Minimum Required Entrance Spacing = 125 feet
- b. Corner Clearance from Intersection = 100 feet

**EXHIBIT C - Public Road Access Management Standards**

**Roadway Spacing:**

When it can be avoided, the County does not wish to create minimally offset T intersections. If there is a roadway on the opposite side of the proposed road, effort should be made to create either a 4-way intersection or provide enough spacing between the proposed and existing roadway for car stacking. The minimum spacing, if line of sight is available, between the proposed roadway and the existing roadway shall be no less than 100 feet. If the development must be reduced by more than one lot to meet this requirement, the developer may locate the proposed intersection at the location that provides the greatest distance possible but does not impact the proposed available development size.

The following roadway spacing requirements are to be met only along the side of the roadway that is being accessed. The minimum offset spacing for a new roadway intersection is based upon the highest classification of roadway for either the roadway being accessed or the nearest intersecting roadway. Where there are intersections on either side of the proposed point of access, each intersection will be treated independently and the proposed roadway must meet both roadway spacing requirements. These standards, for purposes of approval of subdivision plats pursuant to the Leavenworth County Subdivision Regulations, are hereby adopted as follows:

<b>Existing Roadway Classification</b>	<b>Minimum Road Spacing (Feet)</b>
State	660
Arterial	660
Collector	660
Local	330
Interior Subdivision	330

**Article 43 – Cross Access Easements**

Section 2.1.c

Lots within Cluster Developments shall be situated so that all lots are accessed by the cross-access easement. Cross access easements shall be subject to the Leavenworth County Access Management policy requirements for driveway and roadway spacing when servicing three or more parcels. Developments serving two parcels shall only be required to meet the driveway spacing requirements.

Section 3.3

When established as part of a cluster development, the road and drainage plans submitted to County Staff shall be prepared and sealed by an engineer licensed in the State of Kansas. The developer shall provide documentation from the designing engineer stating the Cross Access Easement was built in accordance with the submitted design plans to the County upon completion of the Cross-Access Easement. Building permits shall not be issued until such document has been received.

WHEREAS, it is hereby found that the Leavenworth County Planning Commission, after notice as required by law, did conduct a public hearing upon the amendment of the Leavenworth County Zoning and Subdivision Regulations the 12<sup>th</sup> day of May, 2021; and

WHEREAS, it is hereby found that the Leavenworth County Planning Commission, based upon specific findings of fact incorporated by reference herein, did recommend that the amendment be approved, as set forth; and

WHEREAS, the Board of County Commission considered, in session on 15<sup>th</sup> ay of June, 2021, the recommendation of the Leavenworth County Planning Commission.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commission of Leavenworth County, Kansas, that:

1. Based upon the recommendation and findings of fact of the Leavenworth County Planning Commission; and,
2. Based upon the findings of fact adopted by the Board of County Commission in regular session on the 2<sup>nd</sup> day of June 2021 and incorporated herein by reference;

That the amendments listed herein be approved:

Adopted this 15<sup>th</sup> day of June, 2021  
Board of County Commission  
Leavenworth, County, Kansas

# Leavenworth County Request for Board Action

**Date:**

**To: Board of County Commissioners**

**From: Public Works**

**Department Head Approval:**

**Additional Reviews as needed:**

**Budget Review  Administrator Review  Legal Review**

---

---

**Action Requested:** Approval of the requested resolution of support.

**Recommendation:** Approval

**Analysis:** Public Works has been working with Building and Grounds and the Council on Aging to prepare three grant applications for exterior and interior improvements at Cushing for Transit Services and improvements to the parking lot area at the Annex in Tonganoxie where transit vehicles are stored. The grants are 90/10 if federal funds are used and 80/20 if state funds are awarded. Total amount requested for state and federal funds is \$2.2 million. County cost may be between \$220,000-\$440,000. The county will be responsible for these costs regardless of whether we get grants. The resolution of support is a required item for item for our applications.

**Alternatives:**

**Budgetary Impact:**

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

**Total Amount Requested:** Up to \$440,000

**Additional Attachments:** Bid Tab

**RESOLUTION 2021 -19**

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LEAVENWORTH COUNTY, KANSAS, PURSUANT TO THE BOARD OF COUNTY COMMISSIONS ENDORSEMENT OF THE PROJECTS APPLIED FOR THROUGH THE 2021 ACCESS, INNOVATION, AND COLLABORTION PUBLIC TRANSPORTATION CALL FOR PROJECTS

**WHEREAS**, the Board of County Commissioners or Leavenworth County, Kansas understands that the county will be responsible for the projects' construction matching funds, future maintenance, and operation.

**WHEREAS**, the Board of County Commissioners accepts all future costs associated with adequately maintaining the facility after the completion of the project for the duration of its expected lifespan.

**NOW, THEREFORE, BE IT RESOLVED:**

**ADOPTED THIS \_\_\_\_ DAY OF JUNE 2021**

ATTEST:

BOARD OF COUNTY COMMISSIONERS  
OF LEAVENWORTH COUNTY, KANSAS:

\_\_\_\_\_  
Janet Klasinski - County Clerk

# Leavenworth County Request for Board Action

**Date:** June 16, 2021

**To:** Board of County Commissioners

**From:** Bill Noll

**Department Head Approval:** *B. Noll*

**Additional Reviews as needed:**

**Budget Review**  **Administrator Review**  **Legal Review**

---

---

**Action Requested:** Approval of Resolution 2021-20, Replacing a yield sign with a stop sign on Kissinger Rd at the intersection of 219<sup>th</sup> Street and Kissinger Rd.

**Recommendation:** Approve

**Analysis:** It is a yield controlled intersection currently, however there is very limited sight distance available. A study was not required as it is only stopping traffic in one of the three directions.

**Alternatives:** Table, deny

**Budgetary Impact:**

- Not Applicable
- Budgeted item with available funds
- Non-Budgeted item with available funds through prioritization
- Non-Budgeted item with additional funds requested

**Total Amount Requested:** No Funds Needed

**Additional Attachments:**

Resolution 2021-20

**RESOLUTION 2021 -20**

**A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LEAVENWORTH COUNTY, KANSAS, PUSUANT TO THE PROVISIONS OF K.S.A. 8-2008 AND OF K.S.A. 8-1560, ESTABLISHING THE PLACEMENT OF A STOP SIGNS ON KISSINGER ROAD AT ITS INTERSECTIONS WITH 219<sup>TH</sup> STREET, REPEALING ANY PRIOR RESOLUTION GOVERNING SIGNAGE AT THIS LOCATION.**

**WHEREAS**, the Board of County Commissioners has the authority pursuant to the provisions of K.S.A. 8-2008 to effect the placement of regulatory stop signs.

**WHEREAS**, the placement of stop signs at this location is consistent with the currently adopted version of the MUTCD, and with standard traffic engineering practice.

**WHEREAS**, upon concurring review by the County Staff, the board has determined that a stop sign shall be placed on Kissinger Road at its intersection with 219<sup>th</sup> Street.

**NOW, THEREFORE, BE IT RESOLVED:**

1. The traffic traveling east on Kissinger Road must stop traveling at the intersection of 219<sup>th</sup> Street.
2. That the Leavenworth County Public Works Department is hereby instructed to install and maintain the appropriate regulatory signage indicating that traffic must stop at this location.
3. That this resolution shall take effect upon the placement of said signage.
4. That any prior resolution establishing traffic control at this location is hereby repealed as it pertains to said road/street.
