

## Leavenworth County Planning and Zoning Surveyors List

Planning & Zoning does not endorse any one surveyor/engineer over another. This is only a list of surveyors and engineers that have submitted work to our office. Anyone considering retaining a surveyor or engineer should also consult other sources for possible candidates. Above all, you should verify the references of any professional you retain as well as their record with the Kansas State Board of Technical Professions, 900 Jackson Street, Ste 507, Topeka, KS 66212-1257, (785) 296-3053; [www.accessKansas.org/ksbtp](http://www.accessKansas.org/ksbtp)
