

PROGRAM IS FULL FOR THIS SEASON

LEAVENWORTH COUNTY

REQUEST FOR HARD SURFACE 2025 DUST CONTROL

Dust control requests must be a minimum of 300 consecutive feet and a maximum of 2,640 consecutive feet. A group of neighbors may split the cost if desired, and are encouraged to submit their application as a group, if payment is presented in full.

Any non-connected hard surface dust control will NOT receive future maintenance provided by the County and will require future maintenance to be paid by the property owner. If roadways are not maintained, the roadway will be returned to gravel upon disrepair.

Dust control is available on a first come, first serve basis. The 2025 program will be closed to requests after May 15, 2025 or after receiving registration of 6 total projects, whichever occurs first.

This program is not open to any type of new roadways as part of a development or any road classified as minimally maintained.

Financing cannot be greater than 50% of the appraised value of any lot or property to which the special road assessment will be applied to the taxes.

Like any tax assessment, prior to completing any land division process through Leavenworth County Planning and Zoning, the entire tax and special road assessment must be paid in full. Special assessments will not be divided amongst newly created lots that the improved roadway is serving.

2 – MAINTENANCE NON-CONNECTED - **\$9.75 PER FOOT**: Applies to existing chip & seal dust control sections that are ineligible for County funded maintenance (non-connected Hard Surface Dust Control locations)
