1.2

Petitioner agrees to maintain roads in a trafficable condition to passenger vehicles on a daily basis. (Gravel & grading of rock roads; asphalt patching as needed to hard surfaced roads.)

1.3

Petitioner agrees to erect & maintain roadwork signage along route and roads adjacent to route. (i.e.: Truck Route, trucks turning, etc.)

2.0

Materials and methods: All materials and construction methods used on work within the limits of the right-of-way shall be in conformance with KDOT "Standard Specifications for State Road and Bridge Construction" and the Director.

2.1

Petitioner agrees to video tape (VHS) ^{of DVD} the haul route before he starts use of any county roads as a haul route.

3.0

Completion: The Petitioner shall furnish all materials, do all work, pay all costs and restore said right-of-way to the condition existing prior to approval of work described on this permit. Work to be completed within _____ Day/Mo (circle one) of APPROVAL DATE, otherwise permit is null and void. Permit shall not be granted for more than one year. An extension of time may be requested in writing. After the petitioner has completed the work in accordance with this permit, he shall notify the department for inspection of route.

3.1

Petitioner agrees that an approved-signed copy of permit will be on premises before any work is performed.

4.0

Bond: A check or other suitable bond, in amount of _____ dollars \$_____ made payable to the Leavenworth County Treasurer for Road & Bridge Fund is hereby deposited with this permit to guarantee performance of the conditions of the permit.

4.1

The Petitioner agrees that bond will be forfeited in case of failure or refusal to perform the work to the satisfaction of one Director.

4.2

The petitioner agrees to notify the Director when work covered by the permit is initiated and again when completed.

4.3

RESOLUTION

No. 1999-44

A RESOLUTION ESTABLISHING A POLICY, INCLUDING FEES, FOR THE MOVING OF BUILDINGS, STRUCTURES OR OTHER OVERWEIGHT OR OVERSIZED LOADS ON COUNTY ROADS, AND ESTABLISHING POLICY ON COUNTY ROADS TO BE USED AS A HAUL ROUTE.

WHEREAS, Leavenworth County, Kansas is a county municipal government with the power of home rule pursuant to K.S.A. 19-101 et seq.; and

WHEREAS, K.S.A. 17-1914 et seq. Sets forth certain requirements for moving buildings or structures on public roads, including requiring that movers obtain permits from the Public Works Department and authorizing local governments to assess reasonable fees for said permits; and

WHEREAS, K.S.A. 8-1911 authorizes local authorities to issue special permits for oversized or overweight vehicles for roads under local jurisdiction; and

WHEREAS, K.S.A. 8-2002 authorizes local authorities to prohibit or regulate the use of heavily traveled roads by any class or kind of traffic found to be incompatible with the normal and safe movement of traffic for roads under local jurisdiction; and

WHEREAS, the moving of buildings, structures or other overweight or oversized loads on County roads and bridges may endanger the structural integrity of said County property, as well as the public's safety, when load limits and traffic patterns are ignored and signs and roadbeds damaged.

IT IS HEREBY RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF LEAVNEORTH COUNTY, KANSAS that the following regulations and rules shall be adopted and implemented to insure that K.S.A. 17-1914 et seq., K.S.A. 8-1901 et seq. and 8-2002 et seq. are complied with and the public safety and welfare is protected from damage to public roads and bridges.

IT IS FURTHER RESOLVED BY SAID BOARD this Resolution shall become effective upon publication in the official county newspaper.

LEAVENWORTH COUNTY BUILDING MOVING REGULATIONS

I. APPLICABILITY

This resolution shall apply to the movement of all houses, buildings, other structures or loads that are overweight or oversized over all public highways, roads, streets and other public right of ways outside the boundaries of the incorporated cities of Leavenworth County, Kansas, Leavenworth County hereby elects to follow the regulations adopted by the Secretary of Transportation for excessive size and weights of vehicles and loads.

II. PERMITS AND NOTICES

- 1. A permit to be known, as a "Moving Permit" shall be required prior to the movement of any house, building, derrick, structure or overweight/oversized loads along roadways maintained by Leavenworth County, Kansas.**
- 2. A mover shall obtain an application form from the Department of Public Works Office and shall return the filled out application at least 15 days prior to the anticipated date of moving. The Director of Public Works may waive or shorten the time of submission requirement for good cause shown. The application form shall require the following information: the date of the move; the hours during which the move will occur; the starting and ending location for the object being moved; the height; width and length dimensions plus weight of the object being moved; the number and location of axles/wheels supporting the object being moved; the name and phone number of the mover and the party who shall be responsible for damages caused by the mover; the name of the insurance company insuring mover and the policy number of mover's insurance policy. The applicant shall include a map clearly showing the proposed route of the movement within Leavenworth County. Any application that does not include such a map will be denied.**
- 3. Copies of the application shall be immediately sent to the Department and the Sheriff's office for review. The Sheriff's Office shall indicate approval or disapproval with the proposed route to the Department of Public Works at least seven days prior to the proposed date of movement unless extenuating circumstances require a greater period of time to review and analyze the proposed route. Both the Department of Public Works and the Sheriff's Office shall indicate in writing their approval/disapproval of the proposed route. The Department of Public Works shall not issue a permit until that office has received the recommendations of said departments. A permit shall be granted or denied by the Department of Public Works at least five days prior to the moving day unless extenuating circumstances require a greater period of time to review the application. The applicant shall be notified in writing that approval will not be granted by the proposed date and the reason for the delay. If the permit is denied, the reason for doing so shall be stated in writing. If the permit is granted, the mover must attach a copy of the permit to the structure being moved and must have also in the possession of the movers a copy of the permit as well as a copy of the map that has been approved by the Department of Public Works.**
- 4. Pursuant to K.S.A. 17-1916, all public and municipal utilities affected shall be notified in writing by the mover at least 15 days prior to the movement date of the mover's intent to move. The notice shall give the time, date and route of the mover. If the move is delayed, the utilities shall be given at least 24 hours advance notice of the actual operation. The mover shall include copies of the written notice to all concerned utilities as part of the application filed with the Department of Public Works Office.**

III. FEES, BOND AND INSURANCE FOR MOVING PERMIT

- 1. A fee of \$50.00 shall be charged for all moving operations and the fee shall be included as part of the application. \$25.00 of the fee shall be refunded if the permit is denied.**
- 2. A surety or cash bond of \$10,000 shall be delivered to the County prior to the issuance of a permit. If the mover damages County property, the mover shall be notified in writing and given 10 days to correct the damage. Failure to correct the damage within ten days, which may be**

withheld by the County for good cause, shall be cause for the County to forfeit part or the entire bond. If the bond is forfeited, the mover shall be so notified in writing and a detailed list of the

County's cost to repair damages caused by the mover shall be included as part of the written notice. If a mover desires to contest a forfeiture, the mover shall file a written protest with the Board of County Commissioners within 10 days of receiving the forfeiture notice and the Board of County Commissioners shall hear the mover's protest within five working days of receiving the protest and shall issue a decision within five working days of the hearing. The County shall only forfeit an amount sufficient to fully compensate the County for damages to its property by the mover. The bond shall be released to the mover only after the Department of Public Works Office has verified in writing that the mover's route has been viewed after the completed move and that no County property was damaged during the course of the move.

3. The mover shall provide a certificate of general liability insurance in the minimum amount of \$500,000 to the County when applying for a permit. Said insurance shall include at least \$25,000 bodily injury to one person and \$50,000 bodily injury in any one accident and at least \$100,000 property damage insurance.

IV. LIMITATIONS ON MOVERS

1. Moving shall occur only between the hours of sunrise and sunset.
2. The mover shall not deviate from the approved route without the written approval of the County.
3. If the mover is not able to move on the approved date for any reason, the County, through the Director of Public Works, shall be so notified and the move may only occur on a new date only after that date has been approved by the County and proper notice has been given to any concerned utilities
4. If the mover is not able to complete the move within one single day or the movers stop for any reason, the object being moved shall be pulled entirely off of the public right of way.
5. Low-pressure pneumatic tires shall be used at all times during the move.
6. The object being moved shall not exceed twenty-eight (28) feet in width or twenty (20) feet in height when loaded.
7. The object being moved shall be preceded by and followed by a warning vehicle containing flashing lights and the sign "wide load".

V. FEES, BONDS AND INSURANCE FOR HAUL ROADS & OVERWEIGHT LOADS

1. A fee of \$100 shall be charged for all haul road & overweight load permits and the fee shall be included as part of the application. If the permit is denied \$25.00 shall be refunded when requested from applicant.

... of cash bond as shown below shall be delivered to the County prior to the issuance of a permit. If applicant damages County property, the applicant shall be notified in writing and given 10 days to correct damage. Failure to correct the damage within ten days, which may be

extended by the County for good cause, shall be cause for the County to forfeit part or all of the bond. If the bond is forfeited, the applicant shall be notified in writing and a detailed list of the County's cost to repair damages caused by the applicant shall be included as part of the written notice. If applicant desires to contest forfeiture he shall (paragraph two of Section II above.)
